FYI: EPA “wins” in re: our “unclassifiable” designation of the Uinta Basin.

B. UINTA BASIN

Petitioner WildEarth Guardians (WildEarth) challenges the EPA’s designation of Uinta Basin, Utah, as “unclassifiable.” We find the EPA’s designation rational and in accordance with the Clean Air Act, and we therefore deny WildEarth’s petition.

Subject: FW: Win in Ozone Designations case

Hi All,

Attached is the opinion in the ozone designations case. We won! Congratulations to everyone. Great work.

Please share with others who worked on this in your region. I know my email list isn't complete.

I feel like dancing in the hallway.
